A PRISTINE SETTING FOR PRIVATE PHOTOGRAPHY AND FILM

Tucked into the gentle folds of Savannah's Grove River, HOLLYOAKS ON THE MARSH provides easy 15-minute access to downtown, yet feels worlds away in the country — a private enclave of southern elegance. The historic iron gates open to reveal a hidden retreat for photographing memories.

Every detail is carefully cultivated with historic beauty amid modern elegance. This thoughtful design is the result of the masterful partnership of the owner family — a partnership in marriage, event planning, and engineering experience. HOLLYOAKS offers personalized service and exceptional attention to detail. Our commitment to organic beauty, historic surroundings, pure privacy, and warm professionalism makes this one of Savannah's most desired hideaways.

HOLLYOAKS offers expansive lawn and garden spaces. The 450+ year old Live Oaks draping with Spanish moss provide a canopy that makes the largest spaces feel intimate.
